

Please discuss the ideas raised in this Task and record your views on the Task Sheet.

Please try to record all views. If opinions diverge then let us know how many support each opinion. For example, if there are 8 of you in the group and all but one of you agrees with Opinion A you could write 7/8 next to Opinion A. Then write 1/8 next to Opinion B.

Please answer these specific questions:

Please annotate the Plan prioritising the potential Green Spaces showing, for East Hoathly, 1 for the most important down to 7 for the least important and for Halland, 8 for the most important and 9 for the least important.

What makes the proposed sites special to you. ?

Do the proposed Green Spaces have a positive effect on your physical and mental state ?

How often do you visit or benefit from each of the potential Green Spaces ?

	Person 1	Person 2	Person 3	Person 4	Person 5	Person 6	Person 7	Person 8	Person 9	Person 10
Day										
Week										
Month										
Year										

Do you think other spaces should be considered ?
